

Fruit and Vegetable Line Up: Follow-Up Questions

Name _____

Directions: *Answer the follows questions after completing the Fruit and Vegetable Line-Up. Keep this sheet as an entry in your journal.*

1. Which sample was your favorite? (Give the name of the fruit or vegetable)

2. Had you ever tried that fruit or vegetable before?

3. What did you like about it?

4. What can you do to try eat a variety of fruits and vegetables?

5. Were you able to guess the fruits and vegetables before seeing the answer sheet?
What information led you to your hypothesis (guess)?

6. In a scientific observation, it is very important to record accurate data. Explain how writing down incorrect information could lead to an incorrect conclusion. (Example: All data leads to the sample being a watermelon, but you wrote down that the sample did not have seeds)

7. Name one person you are going to encourage to try a new fruit or vegetable and explain what you will say to convince them.
